Kids-N-Play is Clarksville's premiere children's entertainment & party center. The wide array of activities accommodates children 0-12 years of age. We offer plenty of comfortable seating, a snack bar with a full menu (including pizza, hot dogs, chicken strips, sandwiches, snack, and drinks) and much more! For our youngest patrons, there is a 10 ft by 12 ft enclosed crawler area specifically designed with colors and shapes that encourage toddlers to explore and develop new skills. Our kid-sized town includes a grocery store, diner, animal hospital, fire station, beauty salon, playhouse with baby nursery, puppet theatre, activity tables and dress-up area -- all designed to encourage role-playing, socializing and the use of imagination! Inside the huge multi-level structure, kids are thoroughly entertained with a triple wave slide, corkscrew and straight slides, bridges, tunnels, crawls, and a variety of activities that encourage discovery of what is around the next corner. There is a three-rail track circling the perimeter of the play system with 7 child-sized and 2 adult-sized hand-powered cars.
